AUDITORS' REPORT TO FEDERAL LIBERAL AGENCY OF CANADA,
CHIEF AGENT FOR THE LIBERAL PARTY OF CANADA

We have examined the Return of the Liberal Party of Canada under the Canada Elections Act for the year ended December 31, 1979. Our examination was designed solely to enable us to report as required under the Canada Elections Act; as explained below, it was not designed to determine the extent of omissions, if any, from the accounting records. Our examination of the divisions of which we are auditors included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances to make this report. We have relied on the reports of other auditors who have examined the financial statements of other divisions.

In our opinion the Returns of the Liberal Party of Canada present fairly the information contained in the accounting records on which the Return is based in accordance with the accounting treatment required by the Act and the Guidelines issued by the Chief Electoral Officer.

The extent of omissions, if any, from the accounting records relating to a party is not susceptible to practicable determination by audit procedures. Accordingly the Act does not require us to report, nor was it practicable for us to determine, that the accounting records include all transactions relating to the Liberal Party of Canada.

AUDITORS' REPORT

P C Canada Fund
Chief Agent
Progressive Conservative
Party of Canada

We have examined the statement of receipts and expenditures of the Progressive Conservative Party of Canada for the year ended December 31, 1979. Our examination was designed to enable us to report as required under the Canada Elections Act and was not designed to determine the extent of omissions, if any, from the accounting records. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

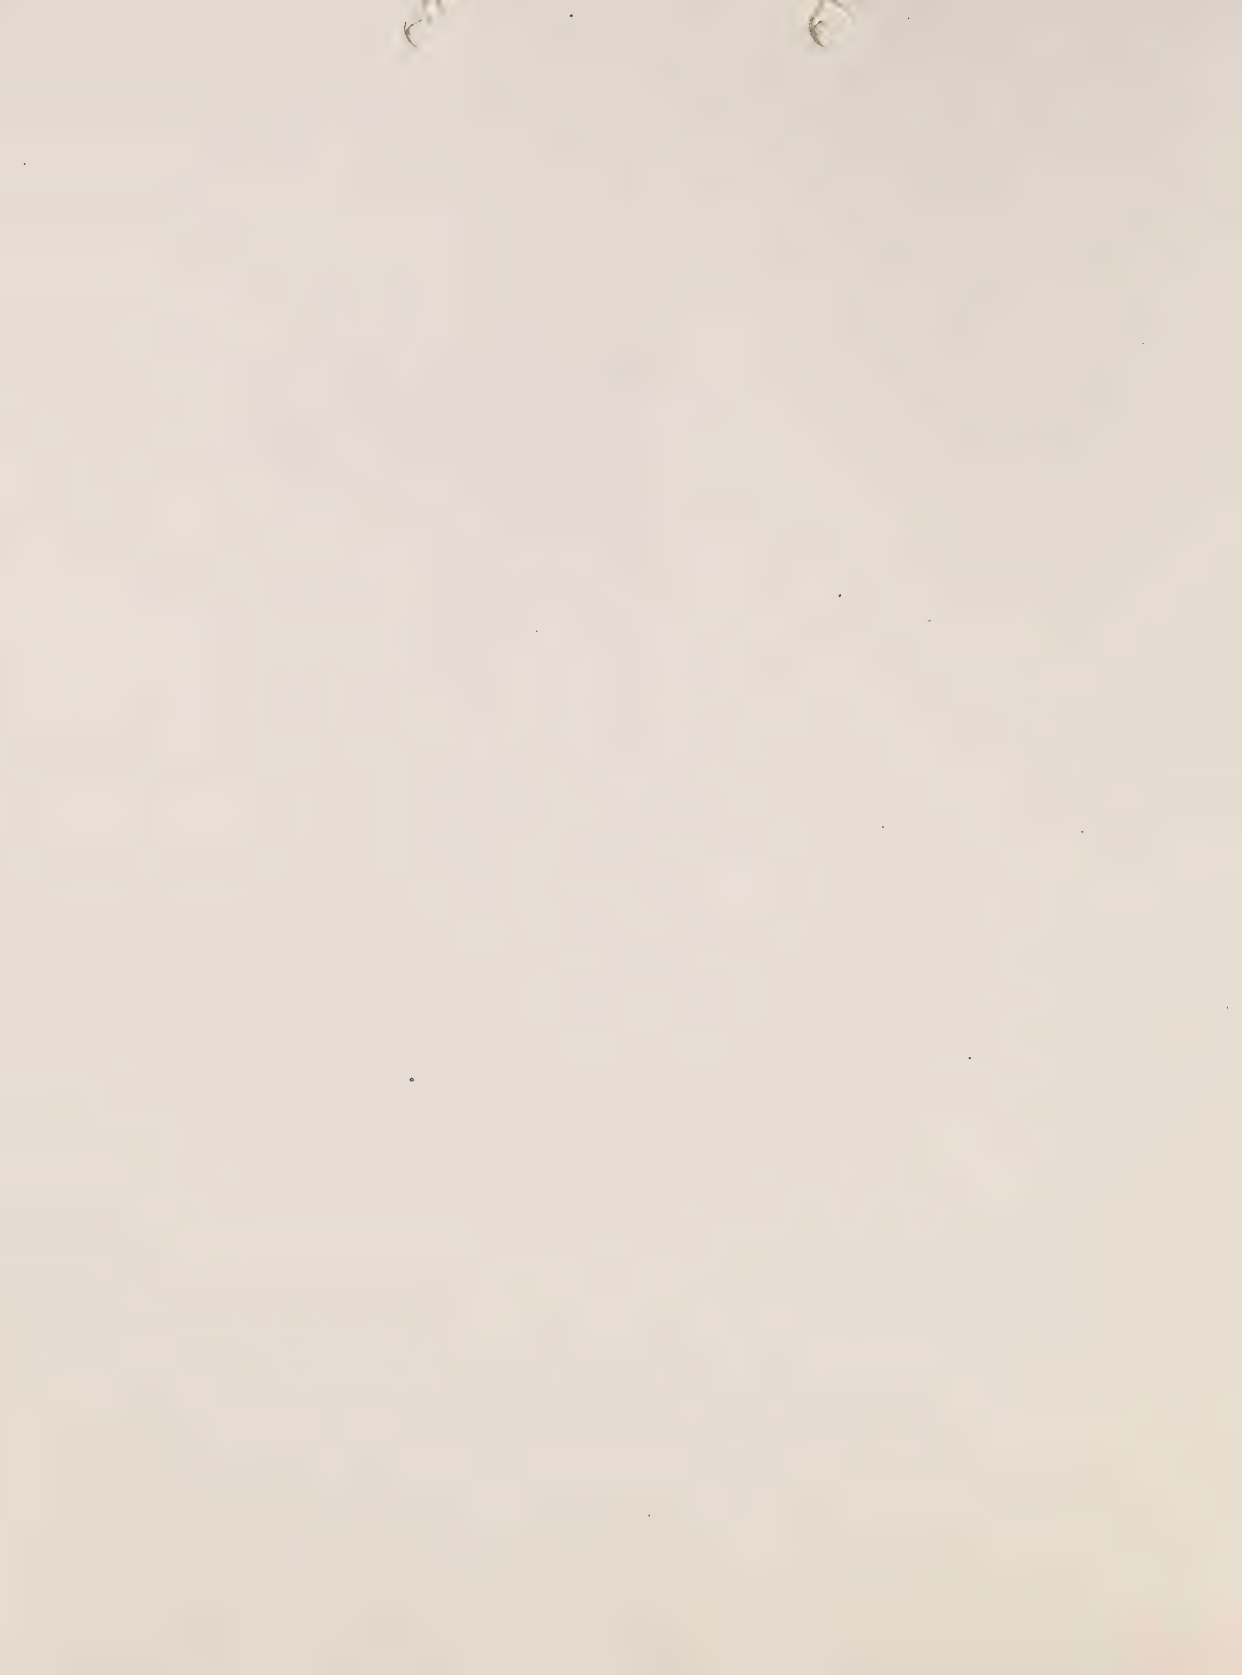

In our opinion, the statement of receipts and expenditures of the Progressive Conservative Party of Canada presents fairly the information contained in the accounting records in accordance with the accounting treatment required by the Act.

Despite the passage of provincial legislation which requires separate reporting in different jurisdictions, we continue to do so. We believe it is important for the voters of Canada to see the actual revenues of national political parties at every level of their operations. Those separately reported sums are noted at the bottom of our return.

AUDITOR'S REPORT

(Pursuant to Section 13.4 of the Canada Elections Act)

Mr. Robin Sears, Chief Agent,
New Democratic Party,
301 Metcalfe Street,
Ottawa, Ontario

I have examined your return as Chief Agent of the New Democratic Party for the year ended December 31, 1979 with its summary of contributions and expenditures which is a consolidation of financial information for the Federal Office, the ten provincial sections and the two territorial sections including those Federal ridings in Ontario and Manitoba where you have appointed registered agents. My audit of the financial statements of the New Democratic Party Federal Office was made in accordance with generally accepted auditing standards and accordingly included such tests and other procedures as I considered necessary in the circumstances. For the remaining New Democratic Party organizations, I have relied on the reports of the auditors who have examined these financial statements.

All of the financial reports on which I have relied were audited and unqualified except for a general limitation on the verification of revenue - that it was not possible because of the nature of revenue, to verify income beyond accounting for the receipts as recorded in the books. Generally, examinations were not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, subject to the above limitation, this return presents fairly the information contained in the accountings records on which it is based.

RAPPORT DU VERIFICATEUR

M. M. Cyril Gauthier

Agent Principal du Parti Crédit Social du Canada.

J'ai vérifié le rapport du Parti Crédit Social du Canada, concernant les recettes et dépenses pour l'exercice terminé le 31 décembre 1979. Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues, et a comporté par conséquent les sondages et autres procédés que j'ai jugés nécessaires dans les circonstances.

A mon avis, le rapport concernant les recettes et dépenses du Parti Crédit Social du Canada présente fidèlement les opérations à l'égard desquelles l'article 13.3 exige la présentation d'états détaillés dans le rapport du parti qui sont consignées dans les registres comptables du parti.

AUDITOR'S REPORT
PURSUANT TO SECTION 13.3(4) OF THE CANADA ELECTIONS ACT

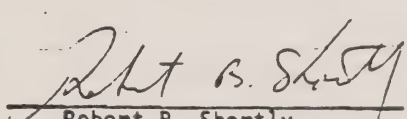

Chief Agent for:
Marxist-Leninist Party of Canada

I have examined the Registered Party Fiscal Period Return, in respect of the Marxist-Leninist Party of Canada. My examination was designed solely to enable me to report as required under the Canada Elections Act; as explained below, it was not designed to determine the extent of omissions, if any, from the accounting records. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances to make this report.

In my opinion the Return presents fairly the information contained in the accounting records on which the Return is based in accordance with the accounting treatment required by the Act and the Guidelines issued by the Chief Electoral Officer.

The extent of omissions, if any, from the accounting records relating to a registered party is not susceptible to practicable determination by audit procedures. Accordingly the Act does not require me to report, nor was it practicable for me to determine, that the accounting records include all transactions relating to the Marxist-Leninist Party of Canada.

AUDITOR'S REPORT

Pursuant to Section 13.3(4) of the Canada Election Act

Margery Ferguson, Chief Agent
Communist Party of Canada
24 Cecil Street
Toronto, Ontario.

I have examined the Return of Receipts and Expenses of the Communist Party of Canada for the year ended December 31, 1979. My examination was designed solely to enable me to report as required under the Canada Election Act, as explained below. It was not designed to determine either the extent of omissions, if any, from the accounting records or to determine that all contributions recorded were in accordance with the requirements of the Act. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances to make this report.

In my opinion, this Return of Receipts and Expenses for the year ended December 31, 1979 presents fairly the information contained in the accounting records on which the Return is based in accordance with the accounting treatment required by the Act.

The extent to which the accounting records include contributions which are not in accordance with the requirements of the Act or omit transactions is not susceptible to practicable determination by audit procedures. Accordingly, the Act does not require me to report, nor was it practicable for me to determine that the accounting records include all transactions for the period.

Toronto,
April 21, 1980.

AUDITORS' REPORT

Pursant to Section 13.3 (4) of the Canada Elections Act, 1977

Mr. Glen Benway,
Chief Agent,
Libertarian Party of Canada,
P.O. Box 90, Adelaide St., Postal Station,
Toronto, Ontario
M5C 2J1

We have examined the statements of contributions and expenditures of the Libertarian Party of Canada for the period from May 23, 1979 to December 31, 1979 to report as required under the Canada Elections Act, 1977. As explained below, it was not designed to determine either the extent of omissions, if any, from the accounting records or to determine that all contributions recorded were in accordance with the requirements of the Act. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances to make our report.

In our opinion, the statements of contributions and expenditures present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment required by the Act.

The extent to which the accounting records omit transactions or include contributions which are not in accordance with the requirements of the Act is not susceptible to practicable determination by audit procedures. Accordingly, the Act does not require us to report, nor was it practicable for us to determine, that the accounting records include all the transactions of the Libertarian Party of Canada for the period from May 23, 1979 to December 31, 1979, or that contributions reported include only amounts which may be retained in accordance with the Act.

RAPPORT DU VERIFICATEUR

En vertu de la Loi électorale du Canada.

A M. Jean-Baptiste Giroux,
Agent principal du Parti de
l'Union Populaire.

J'ai vérifié le bilan et l'état des revenus et dépenses du Parti de l'Union Populaire du 1er janvier 1979 au 31 décembre 1979. Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues et a comporté par conséquent, les sondages et autres procédés que j'ai jugés nécessaires dans les circonstances. Comme il s'agit d'un parti politique, les procédés de vérification ne permettent pas de déterminer l'ampleur des opérations qui auraient pu être omises des registres comptables et j'ai donc axé ma vérification sur les opérations financières consignées dans les registres comptables du parti.

A mon avis, le rapport concernant les états financiers présentent fidèlement les opérations à l'égard desquelles l'article 63 exige la présentation d'états détaillés dans le rapport du parti qui sont consignées dans les registres comptables du parti.
